## YOHAM ORTIZ

is a composer, guitarist and vocalist having a conversation about environmental awareness and personal growth. A musician with an open ear to the world, Yoham's compositions share stories about caring for our planet and each other.

Yoham's performances are driven by his emotive vocals and energetic finger-style guitar playing. His virtuosic guitar technique fuses Classical, Jazz, Caribbean and South American styles including the little known Dominican Carabine. He sings in English and in Spanish.
